Your ingredients were carefully packed on a premises that stores and portions other allergens. Such as cereals containing gluten, seeds, nuts, soy products, dairy etc. Every effort is made to avoid cross contamination but please be aware of this if cooking for somebody with a severe allergy.

METHOD

Read the entire recipe from start to finish. Trust us! You'll be more familiar with the steps and cooking the dish will be a stroll in the park. Before you begin give the vegetables a quick rinse.

1) **Boil the kettle**

Make the stock up to 200ml per person.

2) **Prepare the vegetables**

Peel and finely dice the onion. Peel and dice or slice the carrot into relatively thin slices. Finely chop the coriander.

3) **Saute the vegetables**

In a medium-large saucepan, drizzle a little oil. Add in the onion and carrot and cook for 4 minutes.

4) **Seal the chicken**

To the same pan, add the chicken and cook for 2-3 minutes or until cooked on the outside (no need for it to be cooked through).

5) **Make the curry**

Add in the korma paste and cook for a minute or so, then add the rice and stock. Bring to a simmer and cover the pot. Cook for 20-25 minutes or until the rice is cooked through. When the rice is cooked stir in the spinach and allow to wilt.

6) **Plate the dish**

Once cooked, stir in the yoghurt. Serve in bowls, and garnish with the fresh coriander.
